The coverages you need to protect your business, your people and your professional reputation.

When your equipment fails, you don't just lose your tools, you lose an income opportunity no form of self-insurance can recover. Buell Insurance professionals have expertise in building a tailored insurance package for the special needs of wedding and event videographers.

Coverage begins with CNA Connect[®], an innovative business owner's policy that combines essential and relevant coverages into one easy-to-manage package, including:

- Equipment Breakdown — protects your equipment used for business in the event of damage or loss
- Business Loss of Income — covers costs associated with an interruption to your business resulting from loss or damage to specialized, difficult-to-replace equipment
- General Liability — covers risks for liabilities incurred by your business and your liability for independent contractors working on your behalf
- Property Coverage Off Premises and In Transit — protects property in transit, including property in the custody of an employee and property shipped by water, land or air

Your business may also need:

- Workers' Compensation
- International Travel
- Hired/Non-Owned Auto

Buell Insurance can customize coverage to give you the right level of protection for the things that matter to you most.

We're here 24/7 to keep your business moving.

Your business moves fast and you need to take an opportunity when it's presented to you. We can quickly send certificates of insurance by phone, fax or e-mail, so you can focus on making your clients happy. And should you ever need to file a claim, CNA claim professionals are available 24/7, connecting you to the right people and information when you need it.
